PROTECT YOURSELF, PROTECT EMPLOYEES, SAFEGUARD YOUR BUSINESS!

WHY SHOULD YOU USE OUR SERVICE?

Sierra Radiation Dosimetry Service should be an active member of your radiation protection program. We are dedicated to providing you with the best service and accurate radiation dose assessments all at a very competitive price.

At Sierra, we have a dedicated team of knowledgeable Health Physicists that are eager to help you understand your dosimetric results, and answer questions. We offer state-of-the-art dosimetry badges that are NVLAP accredited (Lab Code 100555-0).

WHY SHOULD YOU BADGE?

State regulators require businesses to monitor employees with a radiation badge where workers are exposed to 10% of the yearly radiation limit set by federal regulation 10 CFR 20.1201. By monitoring employees, you can safeguard your business from unnecessary liability claims of an unsafe radiation work environment. The radiation reports you receive from Sierra are accurate and represent the actual radiation hazards present in your workplace.

WHICH BADGE DO WE USE?

Sierra uses the Genesis Ultra TLD Dosimeter Personnel Monitoring Badge for the highest precision in determination of occupational radiation dosages. The Genesis TLD dosimeter is designed to monitor exposure from X-Ray, Gamma, Beta and Neutrons of known energy and measures doses at three tissue depths, corresponding to the deep, shallow, and lens of the eye doses required by federal regulation 10 CFR 20. It is an excellent dosimeter for most medical and industrial radiation environments. Our radiation exposure reporting service is available for Monthly, Bi-Monthly, or Quarterly wear periods for personnel, area, and environmental monitoring.
PERSONAL DOSE HISTORY TOOL

Sierra Dosimetry's Personal Dose History tool allows each individual wearer to access their own dose history using their own secure username and password. You, as the account administrator, can provide your employees with their username and password which will give them access to their dose history. All account and privacy information remains secure. Our Personal Dose History tool displays a wearer’s dose history in a way that is both easy to read and informative. Easily determine if a dose is normal or if there is a cause for concern with our visual display. Best of all, this tool is FREE!

SIERRA RADIATION TERMS & CONDITIONS

1. ACCEPTANCE OF TERMS. THESE GENERAL TERMS AND CONDITIONS OF SALE ("GENERAL TERMS") APPLY TO ANY QUOTE, ORDER, AND ORDER ACKNOWLEDGMENT, AND ANY SALE, LICENSE OR DELIVERY OF PRODUCTS OR SERVICES (COLLECTIVELY, "PRODUCTS") BY SIERRA RADIATION DOSIMETRY SERVICE. ("SIERRA") TO ANY PURCHASER OR ACQUIRER OF PRODUCTS ("CUSTOMER"). SIERRA DOES NOT ACCEPT, EXPRESSLY OR IMPLIEDLY, AND SIERRA HEREBY DISCLAIMS, ANY ADDITIONAL OR DIFFERENT TERMS OR CONDITIONS THAT CUSTOMER PRESENTS, INCLUDING, BUT NOT LIMITED TO, ANY TERMS OR CONDITIONS CONTAINED OR REFERENCED IN ANY ORDER, ACCEPTANCE, ACKNOWLEDGMENT, OR OTHER DOCUMENT, OR ESTABLISHED BY TRADE USAGE OR PRIOR COURSE OF DEALING, UNLESS SIERRA EXPRESSLY AND UNAMBIGUOUSLY AGREES TO SUCH TERMS AND CONDITIONS IN A DULY SIGNED WRITING. BY ORDERING, RECEIVING, ACCEPTING OR USING PRODUCTS OR OTHERWISE PROCEEDING WITH ANY TRANSACTION AFTER RECEIPT OF THESE GENERAL TERMS OR AFTER OTHERWISE BEING NOTIFIED THAT SUCH TRANSACTIONS ARE SUBJECT TO THESE GENERAL TERMS, CUSTOMER AGREES TO THESE GENERAL TERMS.

2. PAYMENT TERMS. Unless otherwise stated on the face of these General Terms (or otherwise agreed in writing by Sierra), all payments shall be made in US Dollars and are due and payable thirty (30) days from the date of Sierra's invoice. All payments shall be made to Sierra at the address designated on Sierra's invoice, or such other address as Sierra shall designate. If all the Products covered by these General Terms are not delivered at the time of scheduled delivery (i.e., only a partial delivery is rendered), Customer shall pay the unit prices for the Products delivered as determined by Sierra in its reasonable discretion. Each delivery, whether full or partial, shall be considered a separate and independent transaction. If Sierra does not receive all amounts due when due, any due and unpaid portion of the fees shall bear interest in the amount of one and one half percent (1.5%) per month or the maximum rate allowed by law, whichever is less.

2.1. Sierra may immediately suspend deliveries, licenses and performance of any services. All deliveries and performance of work covered by these General Terms shall at all times be subject to Sierra's approval of Customer's credit, and Sierra may at any time decline to make any shipments or deliveries, or perform any work, except upon receipt of payment or upon terms and conditions or security arrangements satisfactory to Sierra. Sierra shall retain a security interest in the Products, until all payments are made in full by Customer to Sierra. Customer authorizes Sierra to file, and shall execute upon Sierra's request, documents and related filings and recordings necessary for Sierra to perfect the foregoing security interest under applicable laws.

3. TAXES. Unless Sierra expressly states otherwise, all fees and prices quoted or invoiced exclude sales taxes, service taxes, withholding taxes, customs duties, and other taxes and charges, insurance, and costs related to transportation and special packaging requested by Customer, if any. Any such charges and costs shall be paid or reimbursed by Customer. If any withholding taxes apply, Customer shall gross up the invoiced amount to ensure that, after such withholding, Sierra receives the full amount invoiced. Customer shall pay, in addition to the prices quoted, the amount of any present or future customs duties or sales, use, excise or other similar tax applicable to the sale of Products or performance of services covered by these General Terms, or in lieu thereof Customer shall supply Sierra with an appropriate tax exemption certificate.

4. DELIVERY TERMS. Delivery shall be EXW Sierra’s site Incoterms 2000.

4.1. Delivery Dates. Sierra will estimate the delivery dates for Customer's order. Both full and partial deliveries are authorized hereunder, and Sierra shall not be liable for, nor shall Sierra be in breach of, its obligations to Customer because of any partial delivery made at the time of scheduled delivery or because of any delivery made within a reasonable time after the stated delivery date. Sierra may change any delivery date and such date shall become the agreed upon delivery date unless Customer objects to such date in writing.

4.2. Title. When dosimeters are provided to Customer, the fees paid by Customers constitute fees for the provision of the Services and not for the tangible dosimeter itself, title to which is retained by Sierra.

4.3. Packaging. The Products shall be packed by Sierra and will be delivered for shipment in standard commercial packaging. When special or export packaging is requested or, at the discretion of Sierra, is required under the circumstances to minimize risk of loss or damage in transit, the cost of the same, if not set forth on the invoice for delivery, may be separately invoiced to Customer.

5. CANCELLATION; DAMAGED GOODS.

5.1. To the extent Products include tangible goods, on standard price list items, Customer may return such goods that are in "as new and saleable" condition, within thirty (30) calendar days of shipment, providing Customer pays a minimum restocking charge of 20% and all freight costs. To the extent, Products include services, all fees, charges and sales of such services are final. Once dosimeter(s) have been produced, Customer's order is non-refundable and Customer's subscription for services will automatically renew until canceled in writing. If Customer cancels a subscription, it will remain active for the remainder of the time-period for which Customer paid, but Customer's subscription will not automatically renew.

5.2. Non-Returned/Damaged Dosimeters. All dosimeters remain the property of Sierra and must be returned at the end of each exchange period. A dosimeter (including controls) not returned 90 days after the end of the wear period, or received in damaged condition, will incur a non-refundable replacement charge for each dosimeter.

6. NO WARRANTIES. SIERRA DOES NOT MAKE ANY WARRANTY OF ANY KIND WITH RESPECT TO THE PRODUCTS OR SERVICES DELIVERED HEREUNDER. THE PRODUCTS OR SERVICES ARE PROVIDED ON AN "AS-IS" BASIS WITHOUT WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ARISING FROM COURSE OF PERFORMANCE, COURSE OF DEALING, USAGE OR TRADE, WHETHER EXPRESS OR IMPLIED OR STATUTORY, ALL OF WHICH ARE HEREBY EXPRESSLY DISCLAIMED BY SIERRA.

7. BREACH. Any one of the following acts by Customer shall constitute a breach by Customer hereunder: (a) failure to make payment to Sierra for any Products when due; (b) failure to accept conforming Products supplied hereunder; (c) return of any Products delivered to Customer without
the prior written consent of Sierra; (d) filing of a voluntary
or involuntary petition in bankruptcy by any third party
against Customer, the institution of any proceedings in
insolvency or bankruptcy (including reorganization) against
Customer, the appointment of a trustee or receiver of
Customer, or an assignment for the benefit of Customer’s
creditors; or (e) any other act by Customer in violation of
any of the provisions hereof. In the event of a breach by
Customer, Sierra may terminate the order covered hereby
or any part thereof, without any liability or penalty
whatsoever, upon written notice. Customer shall pay all
costs, including reasonable attorneys’ fees, incurred by
Sierra in any action brought by Sierra to collect payments
owing or otherwise enforce its rights hereunder.

8. LIMITATION OF LIABILITY. IN NO EVENT SHALL EITHER
PARTY BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL
OR CONSEQUENTIAL DAMAGES, INCLUDING WITHOUT
LIMITATION DAMAGES FOR LOSS OF PROFITS, REVENUE,
DATA OR USE, LOSS OF USE OF POWER SYSTEM, COST OF
CAPITAL, COST OF PURCHASED OR REPLACEMENT POWER,
CLAIMS OF CUSTOMER’S THIRD PARTIES FOR SERVICE
INTERRUPTION, OR CLAIMS OR PENALTIES OF CUSTOMER
OR ITS AFFILIATES FOR ENVIRONMENTAL DAMAGES,
IN CURRED BY THE OTHER PARTY OR ANY THIRD PARTY,
WHETHER AN ACTION IN CONTRACT OR TORT, EVEN IF
SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF
SUCH DAMAGES.

SIERRA’S AGGREGATE AND CUMULATIVE LIABILITY FOR
 DAMAGES HEREUNDER SHALL IN NO EVENT EXCEED THE
AMOUNT OF FEES CUSTOMER HAS PAID, OR IS PAYABLE TO
SIERRA UNDER THE ORDER COVERED HEREBY, AND IF SUCH
 DAMAGES RELATE TO CUSTOMER’S USE OF THE PRODUCTS
OR SERVICES, THEN SUCH LIABILITY SHALL BE LIMITED TO
FEES PAID FOR THE RELEVANT PRODUCT OR SERVICES
GIVING RISE TO THE LIABILITY. Notwithstanding the
foregoing, the limitation of liability herein will not apply to
Customer’s liability from: (a) any infringement,
misappropriation, unauthorized disclosure or misuse of
Sierra’s proprietary information or intellectual property
rights; or (b) any breach by the Customer of compliance
obligations in Sections 9 or 11.3.

9. EXPORT CONTROL LIABILITY. The Parties shall observe
and adhere to all applicable laws, regulations and rules
relating to the export, re-export, diversion or transfer of
technical data, and direct products thereof. The foregoing
shall include without limitation the export control laws of
(a) the country in which the Products are manufactured,
and (b) to the extent applicable, the United States.
Customer shall be responsible for obtaining all re-export
licenses of the United States (to the extent applicable) for
the export or re-export of the Products. Customer
covenants not to export, supply or otherwise make any of
the Products available to any person or entity: (i) located in
an U.S. embargoed country (e.g., Cuba, Iran, North Korea,
Sudan or Syria); (ii) listed on any US or European Union list
of prohibited or restricted parties; or (iii) that will use those
Products in any activities directly or indirectly related to
nuclear, chemical or biological weapons or missiles. Sierra
makes no guarantees or assurances of the re-export
licensability of any Products purchased pursuant to these
General Terms. Customer agrees to defend and hold Sierra
harmless from any claims, damages or liability resulting
from breach of any part of this Section 9. Failure by
Customer to comply with export control regulations and the
provisions of this Section 9 shall be sufficient cause for
Sierra, at its option, to either terminate the purchase order
or demand proof of compliance therewith from Customer.
The aforesaid obligations shall survive any satisfaction,
expiration, termination or discharge of any other
obligations under these General Terms.

10. FORCE MAJEURE. Except for payment obligations,
non-performance or late performance shall be excused to the
extent that performance is rendered impossible or delayed
by strike, fire, flood, governmental acts or orders or
restrictions, failure of suppliers, or any other reason where
failure to perform is beyond the reasonable control of the
non-performing or late-performing party whether or not
similar to the foregoing. If by reason of any such force
majeure event, Sierra’s supplies of Products are limited,
Sierra shall have the right to prorate the available supply in
such a manner as it, in its sole discretion, determines
appropriate. Deliveries suspended or not made by reason
of this Section 10 shall be canceled without liability;
provided however, that payment obligations for Products
already delivered shall otherwise remain unaffected.

11. GENERAL.

11.1. Proprietary Rights. Sierra retains for itself all
proprietary rights in and to all designs, engineering details
and other data pertaining to any Products sold except
where rights are assigned under written agreement by a
corporate officer of Sierra.

11.2 Sale Conveys no License. The Products sold
hereunder are offered for sale and are sold by Sierra subject
to the condition that such sale does not convey any license,
expressly or by implication, estoppel or otherwise, under
any patent for the design, manufacturing or sale of Sierra
Products of proprietary rights.

11.3. Compliance with Law. Each party shall perform all
acts necessary to comply with, and shall cause their
respective officers, directors, employees, contractors and
agents to comply with, any and all national and local laws
and regulations applicable to each of them.

11.4. Choice of Law and Arbitration. These General
Terms and any related dispute between the parties
("Disputes") shall be governed by the laws of the State of
California, excluding its conflict of laws principles.

11.5. Assignment. Customer may not assign its rights or
obligations under these General Terms without the prior
written consent of Sierra, and any purported assignment
without such consent shall have no force or effect. Sierra
may assign these General Terms without Customer’s
consent.

11.6. Waiver. Any waiver by Sierra of any default by
Customer hereunder shall not be deemed to be a
continuing waiver of such default or a waiver of any other
default or any other term or condition of these General
Terms.

11.7. Amendments. The General Terms may not be
superseded, modified or amended except in writing and
signed by an authorized representative of each party
hereof, provided, however, that Sierra may modify the
specifications of the Products sold hereunder if such
modification does not change the form, fit or function of
such Products.

11.8. Entire Agreement. These General Terms, along
with the documents incorporated by reference on the face
hereof (but expressly excluding the terms and conditions of
Customer’s purchase order or any similar document issued
by Customer) constitutes the entire agreement between
Customer and Sierra with regard to the Products listed on
the face hereof, and expressly supersedes and replaces any
prior or contemporaneous agreements, whether written or
oral, relating to such Products or services.
